CALENDAR OF CONFERENCES

REQUESTS FOR EXCEPTIONS TO PARAGRAPH 7 OF GENERAL ASSEMBLY RESOLUTION 40/243, SECTION I

Note by the Secretariat

Annex

1. REQUESTS FOR MEETINGS DURING THE GENERAL ASSEMBLY SESSION

Addendum

Intergovernmental Group to Monitor the Supply of Oil and Petroleum Products to South Africa

[24 August 1992]

As you are aware, last year the Intergovernmental Group adopted its report before the forty-sixth session and therefore did not request permission to meet. At the first meeting this year, the Secretariat informed the Group of the need to adopt the report before the beginning of the forty-seventh session. The Secretariat also prepared the report in advance. The Chairman of the Group informed me that he and other members of the Group would be attending the Assembly of Heads of State or Government of Non-Aligned Countries in Jakarta, Indonesia, and therefore the report could not be finalized before the beginning of the session of the Assembly.

Consequently, I would like to request the permission of the Committee on Conferences for the Intergovernmental Group to meet during the General Assembly. This meeting will take less than one hour to adopt the report formally. The services could be shared with any other meeting, i.e., if there is any other short meeting, then the Group could meet after that meeting.
